

I came to work-work-work-work

I find a group that gets my groove, groove, groove, groove

I'm learning all my favorite ha-ha-ha-bits

Give me some space to do the seven habits.

Yeah, yeah.

Cooperation can be fun.

When we include everyone.

Yeah.

We lit a fire in each other's eyes

When we're working, work together.

I wanna celebrate and do it right

Work together, Be respectful

Cause we gon' rock this habit

We gon' be humble

We gon' work it out

While we synergize.

With the end in mind,
We put first things first
I'm responsible
While we synergize

I came to trust-trust-trust-trust
Come along with me and my crew crew-crew-crew
Come join us and our school-school-school-school
Just see what we can do-do-do-do

Yeah, yeah.

Cooperation can be fun.
When we include everyone.

Yeah.

We lit a fire in each other's eyes
When we're working, work together.

I wanna celebrate friendship in my life

Saying ay-oh, baby let's go.

Cause we gon' rock this out

We gon' problem solve

I'm responsible

When we synergize.

With the end in mind

We put first things first

I'm responsible

When we synergize.

I'm gonna work it all out

I'm gonna be the leader in me

I'm gonna learn it all

I'm gonna be a humble leader.

Cause I-I-I believe it

And I-I-I, I can have it all, I just can have it all.

I'm gonna be the best I can be
be the best I can be
be the best I can be -be-be-be-be-be-be-be

We lit a fire in each other's eyes
When we're working, work together.
I wanna celebrate friendship in my life
Saying ay-oh, baby let's go.

Cause we gon build some trust
We gon' problem solve
I'm responsible
When we synergize,
With the end in mind
We put first things first
I'm responsible
When we synergize.
